SENIOR **XXL** ON A HIGHER LEVEL

Thank you in advance for your inquiry to our "SENIOR XXL" Spring grad campaign. We ask that you please read through this guide in full before emailing any questions.

With over 65 seniors completed last season, the JPW team is running our process differently this time to make our interactions run as smoothly as possible. We are asking that you please consult your campus location, package choice and any other details via email before booking so that we are able to determine if we will be able to accommodate your needs and requests.

To maximize efficiency, our booking calendar will only allow students from specific schools on certain days. For example, there will be slots for UMD students one day, Towson students another day, Howard students another day, and so on.

Pre-Bookings:

If you are ready to book with us but are not sure of what date and time you will be scheduling an appointment, you may reserve your spot with by placing a deposit of \$50. **We encourage clients to pick early shoot dates to ensure flexibility with your package.**

Currently, these are the packages we are offering:

Package one:

\$200

One outfit + Cap & Gown

Three edited images

1 Campus location

60 minute session

Package two:

\$300

Two outfits + Cap & Gown

Five edited images

2 Campus locations

90 minute session

Group packages:

Email for custom package

Note: Please be mindful of the time allotted for your package, any outfit changes you may have, as well as the distance of any on campus locations you will be using in for your shoot.

Any additions or specific requests can be made via email (jpwcclients@gmail.com)

PRICES FOR ADD-ONS:

ADDITIONAL ON-CAMPUS LOCATIONS:

\$30 per location (if time allows) with 20 minute session extension time

ADDITIONAL LOOKS:

\$30 per look

Additional looks do not come with extra edits

Please note that a maximum of two (2) guests are allowed and encouraged to assist you with your shoot. Examples of guests allowed could be a family member, hair stylist, makeup artist, etc., however, additional guests are not allowed to partake in any shots. To ensure the best end product, having an extra hand on set to help you is very ideal. With each package, props are not included, cap & gown is not interchangeable with an additional outfit, and there is a \$50 non-refundable deposit required which will go towards your final balance. Due to unpredictable weather changes, you are allowed one rain check for your appointment, but we suggest you have an indoor alternative because rescheduling cannot guarantee you a new appointment date later in the season due to our high volume of clientele.
